

Atlas FreeTM

**Accelerate and resource
the fight against sex trafficking
and exploitation.**

Where we work:

We invest in what's working and build what's missing across these critical areas of strategy:

Awareness

Prevention

Education

Outreach

**Victim Services
& Aftercare**

**Rescue &
Restoration**

**Survivor
Empowerment**

**Law
Enforcement**

Culture

Policy

Demand

**Essential
Standards:**

**Here is
the why.**

We believe in the power of a network that comes together to solve some of the most complicated issues surrounding trafficking. When we leverage collaboration, we are able to learn and grow together. We are willing to work to ensure that every organization connected to Atlas Free is able to meet a list of [essential standards](#). The following is what we believe is needed across the network to ensure accountability, quality care, and impact over time.

Legal Framework

1. Are you officially registered to operate as a non-profit in your country?
2. Do you have a residential shelter licence allowing to you receive either adults or minors? Or both?

Financial

3. Does your organization produce Routine Financial Statements? Y/N

If yes, who on your team sees these financial statements on a quarterly basis?

4. Does your organization have an established bank account in the organization name with at least 2 signatures? Y/N
